Activity**

Playdough Addition Activity: Christmas Ornaments

Instructions

Print pages 3-27. If desired, laminate for durability. Cut out the cards.

Determine which cards would be best for your student and put them in a stack.

Give your student playdough. Let your student choose a card. Show your student how to create the equation on the tree by placing the correct number of ornaments on the tree.

Terms of Use

This product may be used for your own classroom or personal use.

It may not be shared as a pdf file, on the web, or in any other way.
