

Gingerbread House Spin and Count

Instructions

Follow the directions to make the spinner (found on the page with the spinner).

Print the gingerbread house math mat. Laminate for durability. Have your student spin the spinner and add the corresponding number of candies to the gingerbread roof. Clear the board and spin again!

Spinner Instructions: Print on cardstock. Cut around the spinner. Poke a hole in the center of the spinner. Affix a brass fastener in the hole and add a paperclip to the top. Paperclip should be able to spin. Show child how to flip the paperclip to make it spin.

Spin the spinner and add the number of candies to the roof.
