## Product Features:

This pack includes a set of 24 classroom station charts, and 60 bin label charts you can use to organize your classroom.

## How to Use:

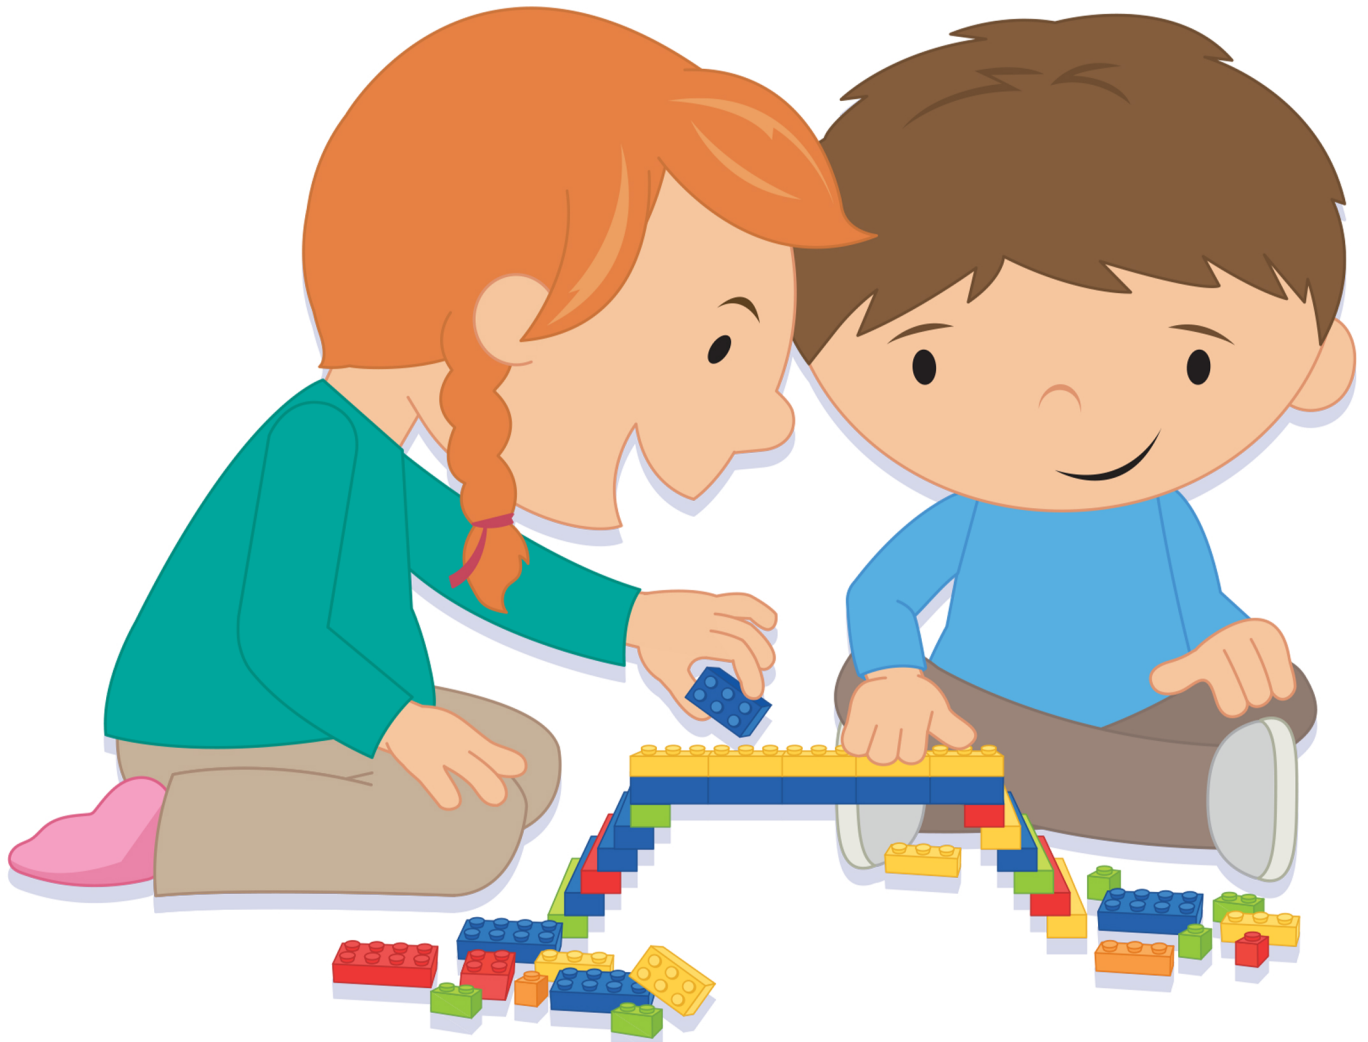

**Classroom Charts:** We recommend laminating all charts and labels prior to using in the classroom. Alternatively, charts can be placed in plastic stands or plastic wall displays for extra protection. There are a variety of different charts and labels to choose from.

**Bin Labels:** We recommend laminating all labels prior to cutting out. Use adhesive Velcro on the back of each label to adhere to your classroom bins. This will make it simple to adjust labels when contents change
