

Can you build an Umbrella?

Follow the steps below to complete your build.

Step 1: Plan your build. How many bricks, and which colors do you need?

Step 2: Collect your bricks in a small pile off to the side.

Step 3: Place your transparent mat on top of the blank grid.

Step 4: Carefully add bricks to your building mat to make the picture.

Place your transparent 6.25" x 6.25" building mat here:
