

Flutter By, Butterfly!

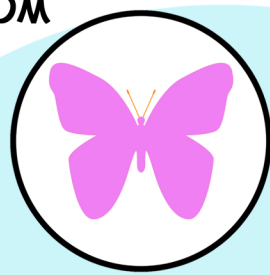

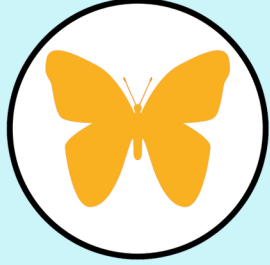

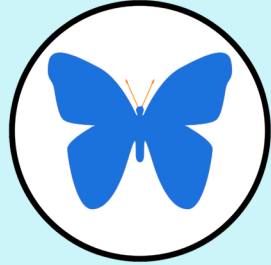

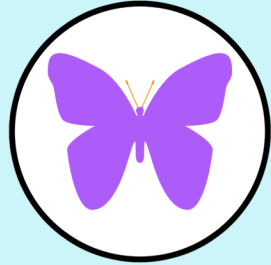

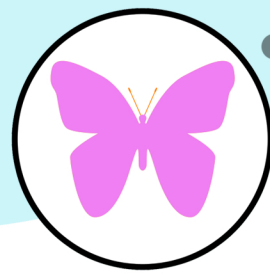

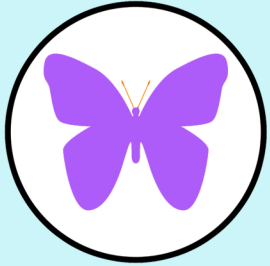

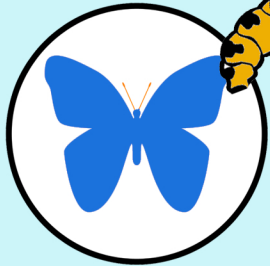

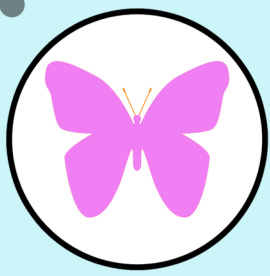

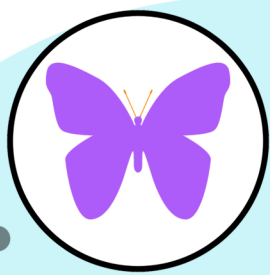

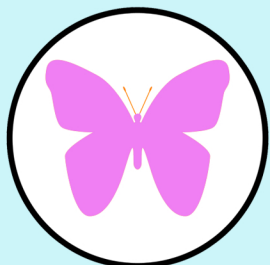

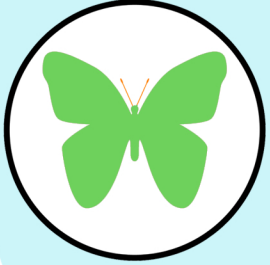

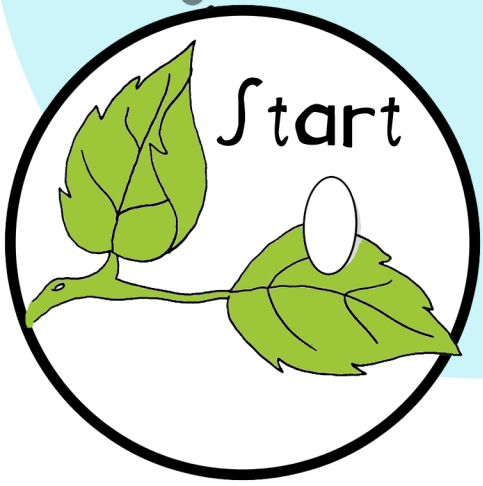

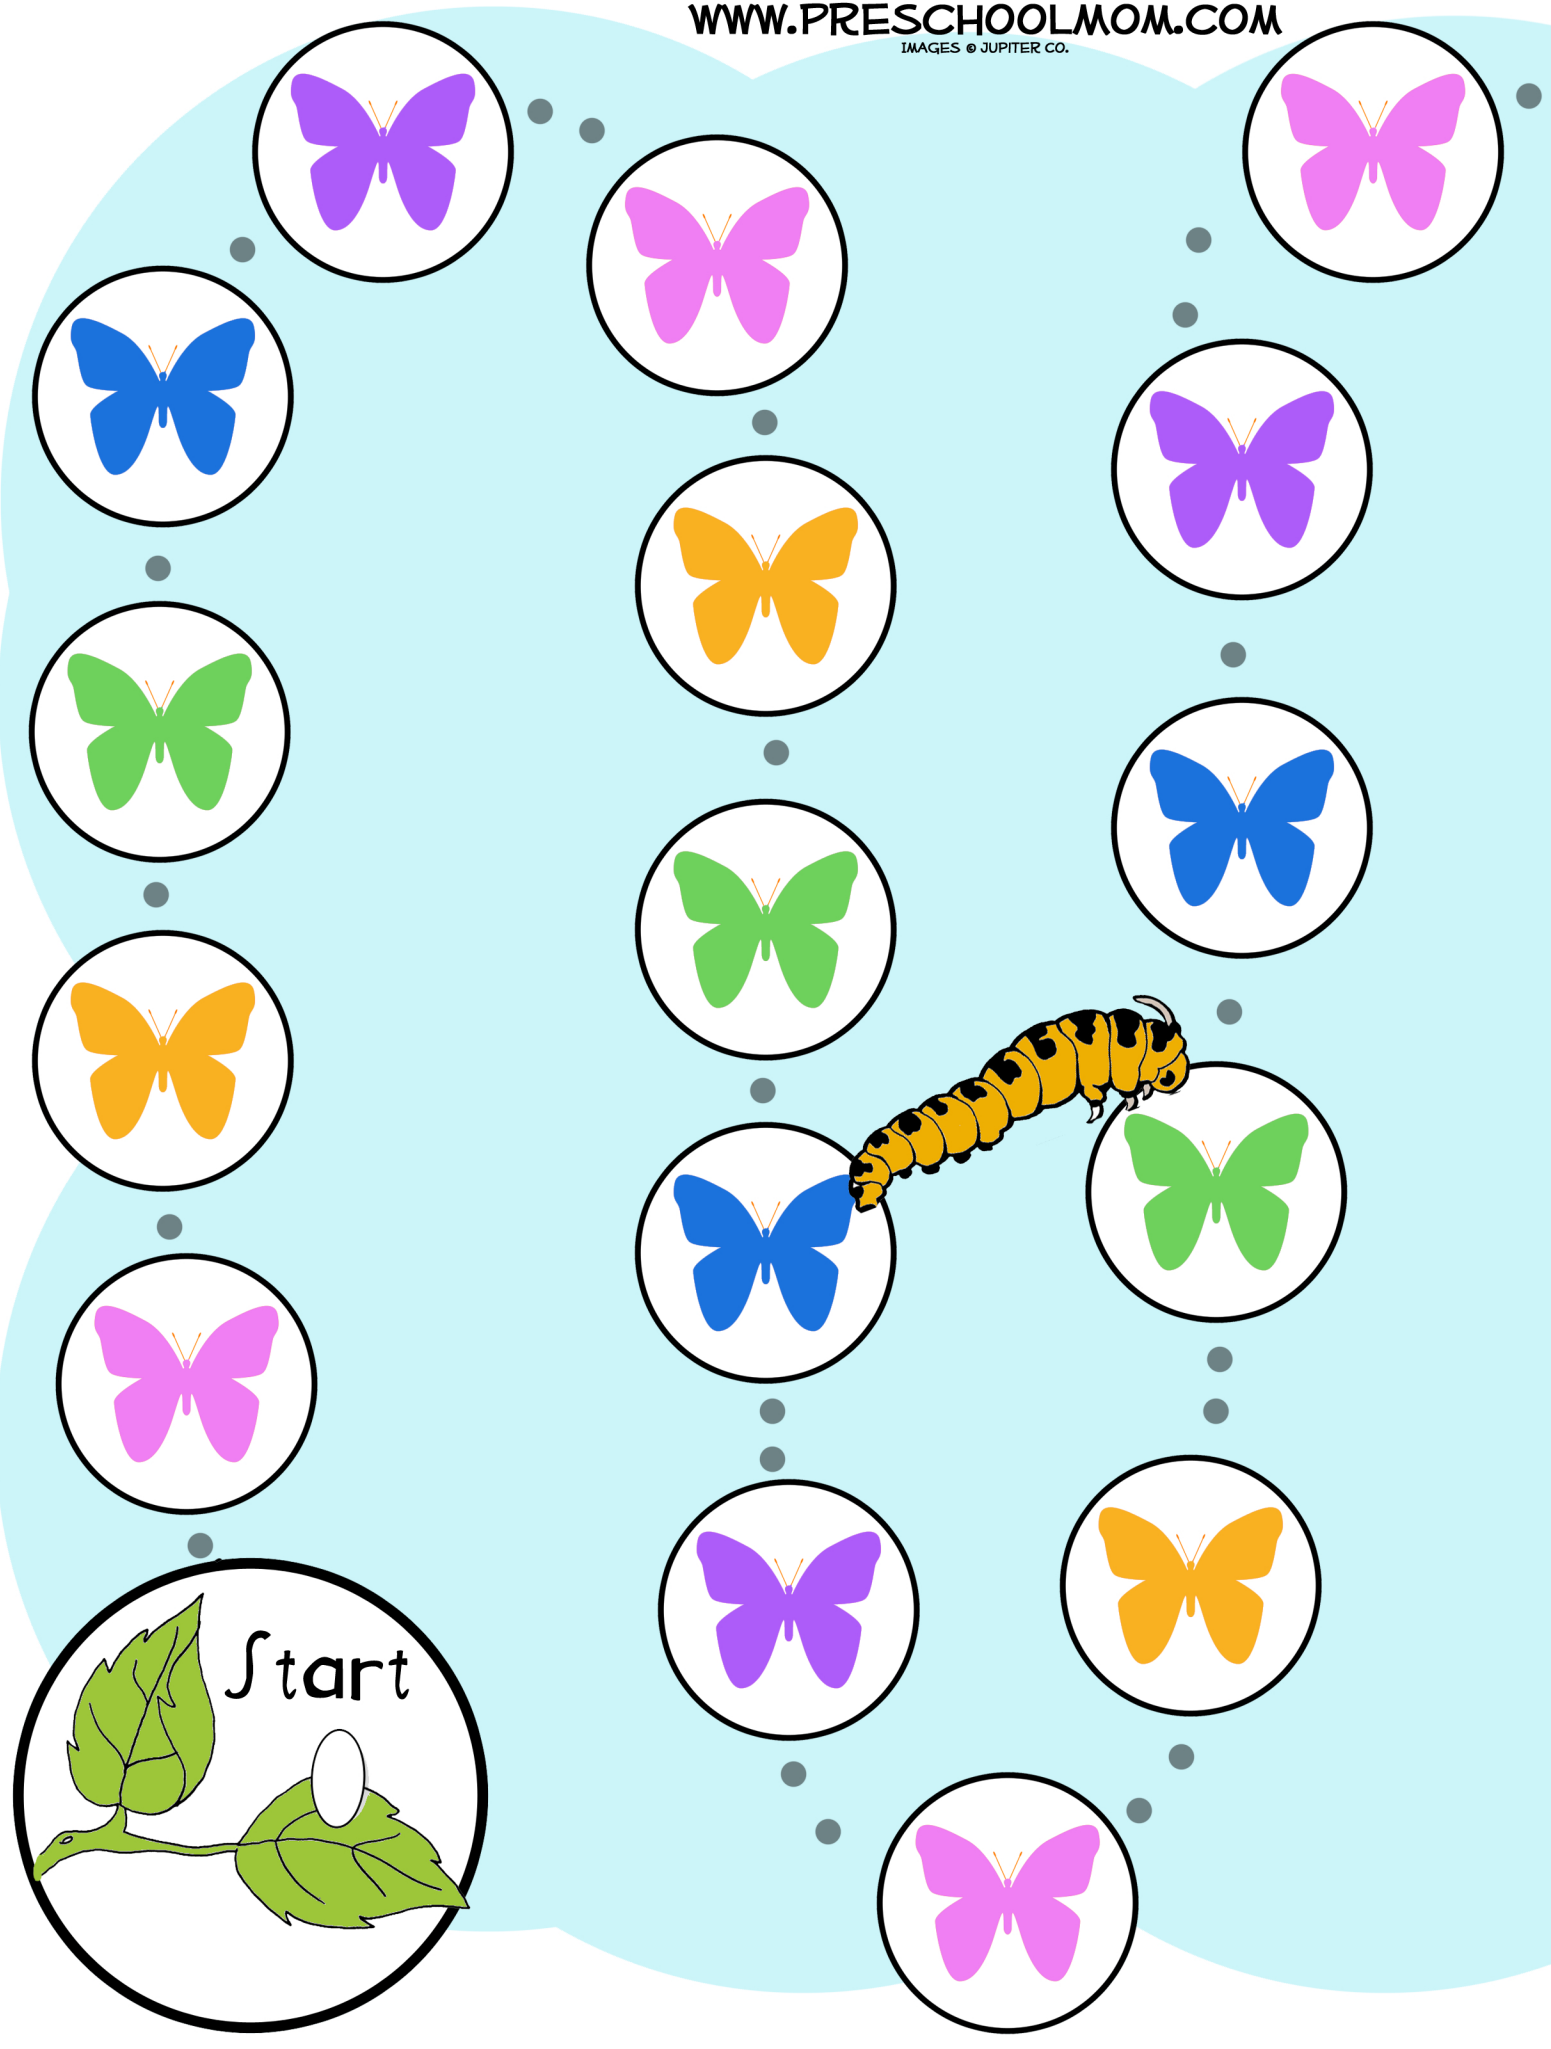

Images (c) Jupiter co.

Instructions: Mount gameboard to a file folder. Cut out playing cards. Single die and playing pieces are needed for play.

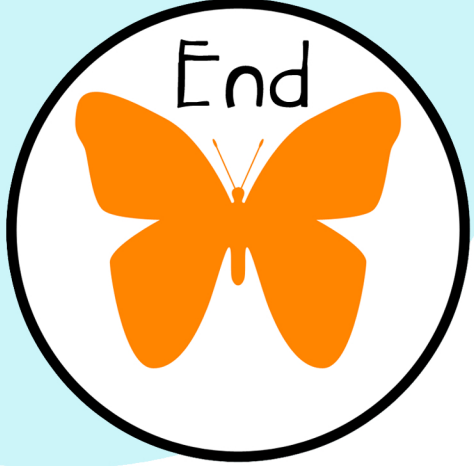

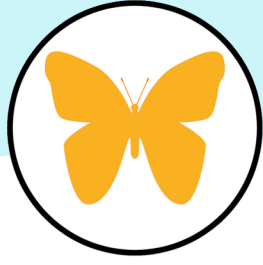

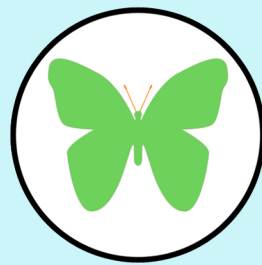

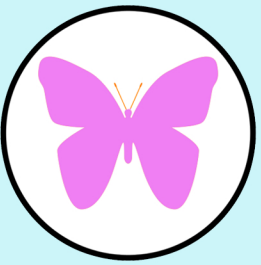

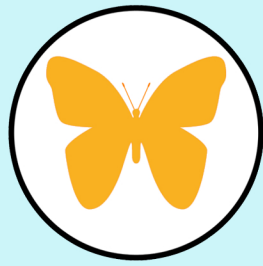

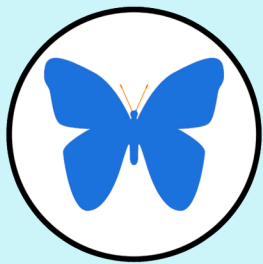

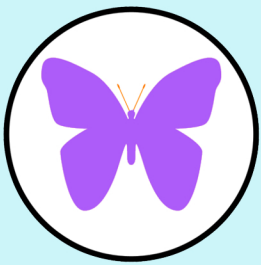

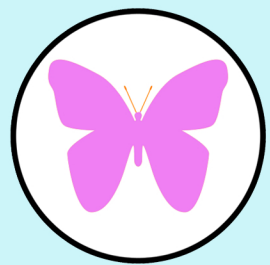

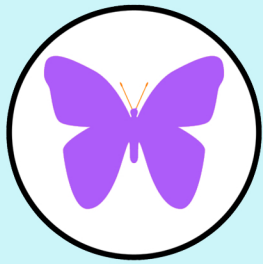

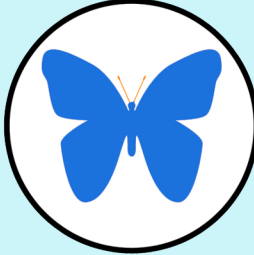

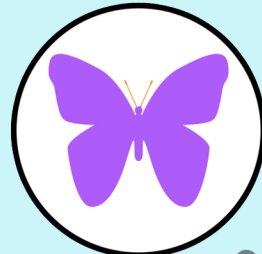

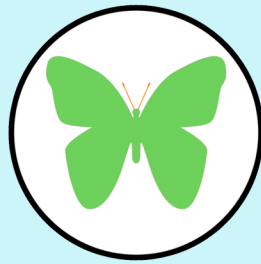

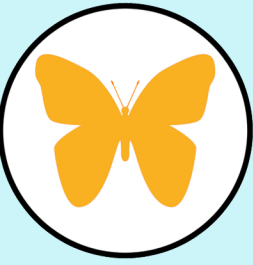

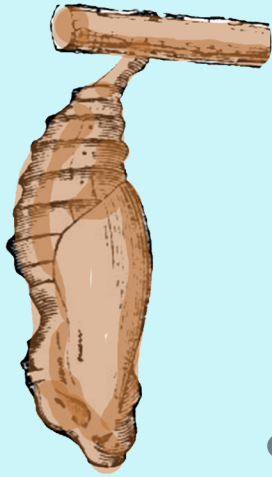

Play: Roll the die and move your guy. Draw a card. Cards have facts about butterflies. Keep the card. If you draw a bonus card count the bugs then move that many places.

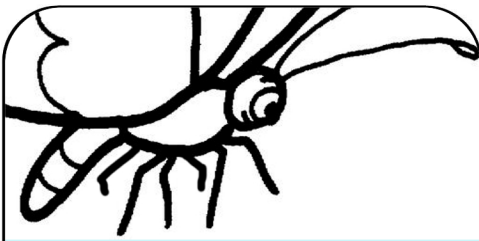

Flutter By,
Butterfly 

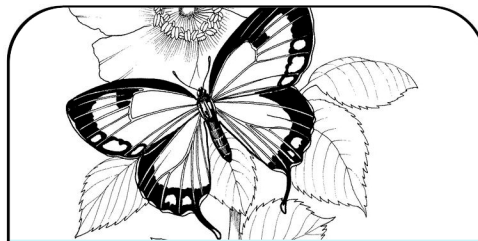

Place Cards
Here

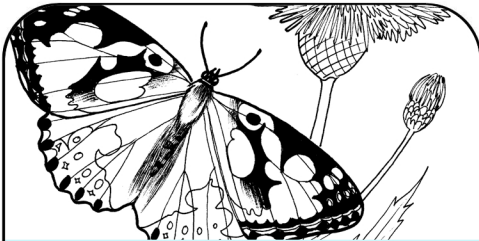

Butterflies
have six legs.

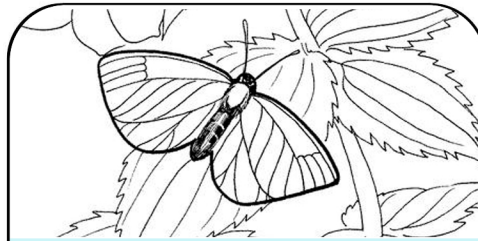

Butterflies
have four
wings.

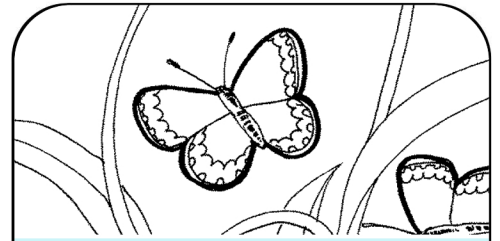

Butterflies
have two
antenna

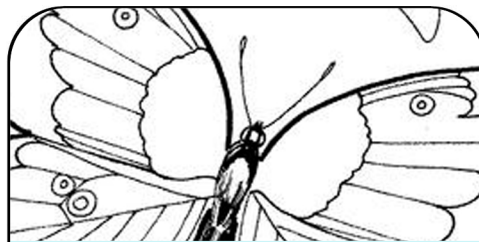

Some butterflies
are poisonous
to eat.
